About Us

Quality is never an accident but a continuous process. Quality is always the result of careful craftsmanship, planning, intelligent efforts and a process-driven action to obtain the desired parameters of the product. Customers being our prime focus thus selection of our product portfolio is carefully done to meet the expectation of the most valued customer. Each and every product is made to suit the needs and comforts of the end-user.

Rollstone is committed to present a range of Toilet cap and flush tank products that is a combination of aesthetics and technicality. Our products are stylish and appealing in addition to being sturdy and durable. We make sure that our designs are contemporary and user friendly with superior functionality. Our products are crafted for luxurious bath spaces. Perfect harmony is the very essence of Rollstone Polyplast. Our stunning range of products is here to mesmerize you.
